INFORMATION DISCLOSURE STATEMENT

Honorable Assistant Commissioner:

Applicants' attorneys performed a patent search with regard to the present invention. Applicants have identified all materials that they are aware of which may be either prior art to the invention or that may be relevant to the background of the invention. All such materials known to Applicants and Applicants' attorneys are identified on the PTO-1449 attached hereto. A copy of all such materials is included herewith. Applicants believed their invention is patentable over these materials.

Respectfully submitted this 24th day of July, 2001,

Lloyd W. Sadler
